**Notice to All Employees of
ISG Railways Inc., ISG South Chicago & Indiana Harbor Railway Company
and ISG Cleveland Works Railway Company**

Mittal Steel Company N.V. ("Mittal Steel") hereby provides notice to the employees of ISG Railways Inc., ISG South Chicago & Indiana Harbor Railway Company and ISG Cleveland Works Railway Company that Mittal Steel, through its wholly-owned subsidiary, Park Acquisition Corp., intends to merge with International Steel Group Inc. and thereby acquire ISG Railways Inc., ISG South Chicago & Indiana Harbor Railway Company and ISG Cleveland Works Railway Company. The transaction is expected to be completed by the end of the first quarter of 2005.

Mittal Steel does not expect significant rail operational changes to occur as a result of the transaction, and therefore does not anticipate substantial changes in the types and number of jobs on the acquired rail lines. However, the foregoing expectation is preliminary and is subject to modification.

Employees affected by the transaction will be provided with labor protection in accordance with the requirements of federal law, pursuant to 49 U.S.C. § 11326(b), because this transaction involves Class II and Class III railroads.

In the event that additional hiring occurs as a result of the transaction, Mittal Steel will offer competitive wages and benefits, including the following:

- Medical and Dental Insurance
- Life Insurance
- Sick Leave
- Holidays
- Vacation
- Military Leave
- 401(k) Plan

Mittal Steel will hire additional employees on the basis of the knowledge, skills, and experience required for each position, using some or all of the following: written assessments, work simulations and interviews. No one factor will be determinative in the employee selection process.

The most qualified candidates will be selected from the available pool of applicants without regard to race, creed, color, religion, national origin, sex, age, marital status, disability, military reserve status or any other protected characteristic. All applicants will be required to submit to a background check and, those applicants who have been conditionally offered employment will be required to pass a pre-employment drug and alcohol screen, complete a medical questionnaire and pass a physical exam.

For employment related questions, please contact Larry Rodimel, with Mittal Steel, at 219-399-5510, or Bill Boehler, also with Mittal Steel, at 219-399-5513.

This notice is being posted at least 60 days prior to the anticipated completion date of the transaction in order to comply with any requirements of federal law that may be applicable. A copy of this notice is being served by overnight delivery on the national office of the labor union with employees on the affected railroad lines, and appropriate certification of posting and service is being concurrently made with the Surface Transportation Board.
